

JOSEPHINE D. ROSE

# Talking to God

## A Bible Study on Prayer

A Note  
to Parents

In this eight-session Bible study, author Josephine D. Rose provides teen girls with the biblical understanding of prayer, teaching and encouraging us to draw close to God in intimate and honest conversation. God is ready to respond to our questions, fears, and needs. Jesus made it easy by giving us a model in the Lord's Prayer, so we don't have to wonder how to approach Him or what to say. The answers are in God's Word. He's listening and waiting for us to begin the conversation.
