

JOIN GOD IN HIS GRAND STORY

Too often we have just a fragmented understanding of parts of the Bible. This leads us to see the Scripture through the lens of our individual stories, causing us to miss God's bigger story—His redemption and restoration of the entire world. In this eight-session study for "In From Beginning to Forever") Elizabeth Woodson

show all sixty-six books of the Bible narrative. We will see how the rich Genesis through Revelation show us what God is doing in the world and part of it.
