DISCOVERING AND
CULTIVATING YOUR
SPIRITUAL GIFTS

HEY PARENTS!

We are so excited that you have decided to lead your child through this book! For many, the topic of spiritual gifts might be a little foreign. What are spiritual gifts? Where do they come from? Who has spiritual gifts? If you have these questions, good! This book will cover answers to all of them and more. You don't have to have all of the answers—the study will guide you through Scripture and help you have enriching conversations with your child about spiritual gifts and how we can use them in our lives today.

FOR THIS STUDY YOU WILL NEED:

- *Gifted* Bible study book for yourself
- *Gifted* Bible study book for your teen(s)

HOW TO UTILIZE YOUR MATERIALS TOGETHER:

NOTICE

You can find tips for how to use this study on page 5 of the *Gifted* book. These tips will be helpful not only for you as you lead but also for your teen as he or she participates in the study. This is a weekly Bible study that has five sessions. It also has a four days of personal study to complete throughout the week. The Group Guide (page 66) will also be a helpful tool as you lead your teen each week.

STUDY

Don't forget to pray!

As you work through your *Gifted* book, we encourage you to discuss what the Lord is teaching you personally. You'll be most productive in leading if you complete each day of study. Gently encourage your teen to stay on track and push yourself to do the same. We realize your lives are busy and many teens are stretched too thin, but this book will be most effective when students work through it one day at a time, rather than cramming multiple days together just to get it done.

CONNECT

- **Set aside time each day to work through the book and keep each other accountable.**
- **Be open with your teen throughout the week about the things you are learning or have questions about.** Provide a safe place for her or him to do the same.
- **Don't stress! Make a plan and follow through.** If you need to go at your own pace, that's fine. Just don't give up if the road gets rough. The destination is worth the journey!
