

CHURCH INTERIORS INC.

DESIGN | BUILD | FURNISH

RENOVATION SERVICES & PRODUCTS

ABOUT US

Since 1981, Church Interiors, Inc. has performed over 12,000 renovations and remodeling projects. We have renovated small chapels that seat less than 100 people to large cathedrals & sanctuaries that seat over 5,000, including many churches on the Historical Registry. Church Interiors, Inc. has a Nationwide Dealer Network of project consultants and installers that are eager to help make improvements to your church.

Our goal is exactly the same as your renovation committee, make your worship space as beautiful as possible, at a competitive cost with minimum disruption to your church services.

SERVICES

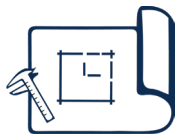

ANY SIZE PROJECT

From single item projects that has flooring or seating to complete renovations. Our project consultants can assist with any improvements to your church facilities.

INTERIOR DESIGN

Our Interior Designers work with churches exclusively and are experienced with traditional, modern and blended styles of worship.

DESIGN & CONSTRUCTION

As a church design-build general contractor. Church Interiors Inc. can design, construct, manage, furnish and install your entire project.

RENDERINGS

Our 4K Resolution Renderings create excitement with a preview of your future project.

PAINTING & PLASTER REPAIR

PAINTING

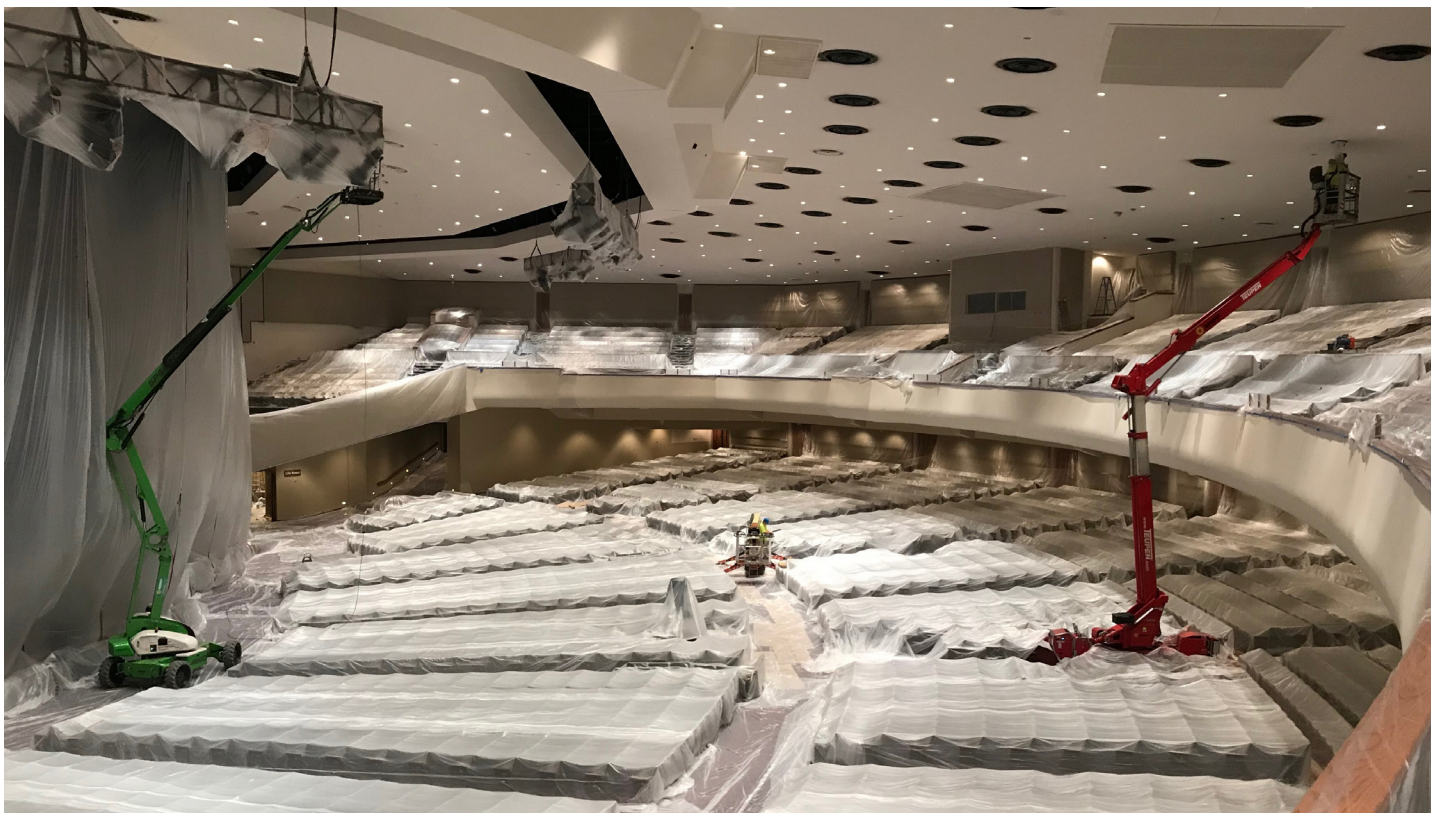

PLASTER REPAIR AND REFINISHING

- Experienced wall & ceiling repair and preparation.
- Drywall floating & texturing.
- Primer & 2+ paint coats as needed.
- High quality paint, high traffic durability.
- Architectural wall and ceiling wood trim painting and refinishing.

CHALLENGING PROJECTS

- High ceiling work and minimal or uninterrupted weekly services.

A modern interior space, likely a lounge or waiting area, featuring a dark, grid-patterned ceiling with recessed lighting. Large windows on the left and right sides offer a view of a parking lot with several cars and trees with autumn foliage. The floor is light-colored wood or stone. In the foreground, there is a contemporary seating arrangement consisting of several brown and orange armchairs and ottomans. A stone pillar is visible on the right side of the frame.
