

# HIS GRACE IS GREATER THAN YOU IMAGINE.

Join us for our next Bible study!

Grace is the deep, abiding gift from God. We crave it. We desperately need it. Yet we often have a shallow understanding of God's true, infinite grace.

In this 7-session study by Whitney Capps, you'll examine the rich, biblical theology about grace, growing in your confidence of God's character, His grace toward you, and what it means to hold onto His grace when you're at your weakest.
