Love Came Down

AN ADVENT STUDY
FOR TEEN GIRLS

A NOTE TO
PARENTS

Christmas is a celebration of Jesus coming to earth. But it's more than just the story of Jesus's birth, it's the gospel. Through this 4-week study of Advent, we'll learn how our hearts are from God, how good and holy He is, and how His love came at a cost. And through this, we'll find how God's love made a way and changes everything. So, let's embrace what Christmas is all about as we discover how love came down.
