

*How Women in the Bible
Reveal God's Heart for You*

DAUGHTERS

Mac Bridges
& Kenz Durham

God has something special to say to His daughters. In this book, from Rahab to Priscilla, students will see women dramatically transformed through the love that God has for His daughters. Through cultural studies and deep dives into Scripture, they will come to know God more and trust in Him. No matter their experience as a daughter, students will find the true depth of His love and the purpose we have as godly women.
