

8-Year Unlimited Mileage Warranty — Built for Churches

For over 50 years, The Bus Center has kept churches and communities moving all throughout the United States. Now, backed by Hoekstra Transportation's 100 years of transportation experience, we are glad to continue to provide Great Buses along with Superior Service as Standard Equipment.

Coverage That Keeps You Moving

Our Mission is to provide quality equipment at a fair price—and service it better than anyone in the bus and van industry. We're committed to building lifelong partnerships that begin the moment you take the keys. When you choose The Bus Center, you can count on exceptional support and coverages long after the sale.

Applying Your Warranty

Repairs can be completed at any qualified service center nationwide—just call for approval before work begins. If you're outside one of the four locations of The Bus Center, we will be glad to help coordinate with a trusted local provider near you. Contacting The Bus Center:
