

Dear Friend,

At Lifeway, we know that leading a church requires being a good steward of what God has given you through the tithes and offerings of your congregants, and our relationship with Canon Solutions America does just that. Since we began endorsing Canon Solutions America in 2009, churches like yours have saved more than \$95 million on office equipment.

A subsidiary of Canon U.S.A., it is one of the most respected technology brands in the world and a leading provider of cutting-edge printing, copying and document management solutions. You can save up to 70% on multi-function devices that offer print, copy, scan, and fax capabilities. The average church saves 60% when purchasing a device through Lifeway's One Source program.

Your satisfaction is of the utmost importance to Lifeway and to Canon Solutions America, and we are committed to making sure you are satisfied. To learn how you can begin to save on office equipment that will also help you run your church office more efficiently, call us at 1.800.464.2799 or visit lifeway.com/officeequipment. We hope you will allow us the privilege of serving you.
