Savior. Teacher. Redeemer. King. These are just a few of the many names of Jesus revealed in the Gospel of John—names that show us who He is and what He has done for us. Through a 25-day journey, teens will walk through the Gospel of John, uncovering the meaning behind the names of Jesus and seeing how each one reveals His character, His power, and His love. From before Jesus's birth to His death and resurrection, students will trace the fullness of His story and be invited to know Him more deeply.
