

Printing/Folding Instructions

3Circles_English.pdf

Download PDF
and print 2-sided
on Legal Paper
(8.5 x 14)

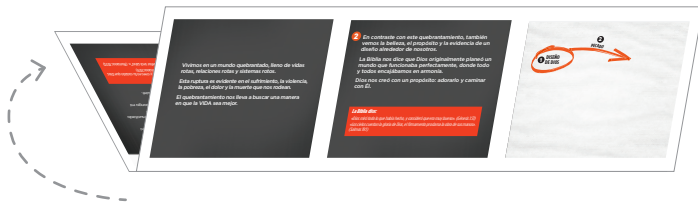

Print "actual size." Do not
"shrink oversize pages" or "fit"
to size. Select 8.5 x 14 paper
or "choose paper source by
PDF page size." Turn
"double-sided printing" ON

2-sided printing should line up
so that the panels you see above
are right-side-up to each other

to fold, flip so that cover is facing
you, and upside-down.

Make a horizontal fold in the center,
folding the bottom half back

Fold the right panel
toward the center

Fold the left panel
toward the center
