# TEACHER

— creating conversational communities —

## Items Included in the Leader Supplement Zip File

### Conference Plans

#### Core Plan

a two-hour conference experience for Sunday School and small-group leaders of all ages designed to provide an overview of *Teacher: Creating Conversational Community* and to apply its content to the Bible study setting of conference participants

#### Age-group adaptations

conference ideas for adapting the core plan for leaders of specific age-groups (adults, students, children, and preschool)

### Conversation Points

Thirty ideas for initiating a conversation about key ideas from *Teacher: Creating Conversational Community* in an informal setting such as over coffee or during a meal; these can also be used to enhance the conference plans

### Additional Files

Presentation Support (backgrounds for creating your own presentations)

ClipArt (to use in promotion)

*Teaching: Creating Conversational Community* (in PDF format—free)

## Writers

G. Dwayne McCrary, adult groups project team leader at LifeWay, wrote the core conference plans and the conversation points.

Alan Raughton, adult ministry specialist at LifeWay, wrote the adaptations for the adult plan.

John Paul Basham, student ministry specialist at LifeWay, wrote the adaptations for the student plan.

Kim Harris, leadership strategist at West Cobb Church in Marietta, GA, wrote the adaptations for the childrens plan.

Jerry Vogel, kids editorial ministry specialist at LifeWay, wrote the adaptations for the preschool plan.
