“Seeds of Faith”

SEEDS OF FAITH *Volunteer Appreciation*

Use this appreciation idea to remind teachers they are planting seeds of faith in the lives of children.

GATHER:

- Find flower seed packets.
- Make copies of the tags below or download at kidsministry101.com.
- Cut out the tags and attach one to each flower packet.

As you give each leader a flower packet, encourage him or her to use the growing flowers as reminders to pray for the children they teach each week.
