**Print out the sign on the next page and  
provide donuts for your  
kids ministry volunteers to show  
them appreciation!**

The background of the image features several donuts with pink frosting and multi-colored sprinkles. The donuts are arranged in a circular pattern around the central text, with some partially visible at the edges. The overall aesthetic is bright and cheerful.

# Volunteer Appreciation: Thyme to Say Thanks

By Cristy Wicks & Stacey Means

Have you said thanks to your leaders lately? Cultivate appreciation by putting together mini potted plants for your volunteers.

**Step 1.** Buy aloe, thistles, thyme, and other miscellaneous plants.

**Step 2.** Tear out the accompanying page with plant pun signs.

**Step 3.** Make copies on cardstock.

**Step 4.** Cut out signs and glue on popsicle sticks.

**Step 5.** Stick the appropriate popsicle sticks in each plant.
