PUT THE BOOKS IN ORDER

Draw a line from the book on the top shelf to the matching book on the bottom shelf. Trace the word from the book on the top shelf onto the book on the bottom shelf to learn one thing the Bible tells us about Jesus.

Your child is learning that the Bible tells us about Jesus. This week, help reinforce this truth with your child by reading verses from the Bible each day that tell about Jesus such as Isaiah 9:7; John 1:2; or John 20:31. Look up new verses every day to share.
