It's so easy to fill your schedule with stuff that has no real value. This new Bible study will help you identify what matters to God (and you) and then apply biblical wisdom to incorporate those activities into your busy life. Each session will address a topic that is important but often overlooked or wrongly engaged. Gleaning principles from the Book of Proverbs and the example of Jesus, this study can help you turn from empty and unfulfilling busyness and devote yourself to doing what matters most.
