Hello. I think God wants me to talk to my friend about Jesus. In fact, I have been trying to talk to him. First, I invited him to VBS. He loved it. I started giving him my Bible story sheet from Sunday School, but he isn't reading them. I am really discouraged. I thought this was what God wanted me to do. Please help me.

Hi there. I really, really, really like dancing. I want to do it all the time. I wish I could take ten classes a week instead of just one. Sometimes I practice so much at home that I don't get my homework done before bedtime. Sometimes I forget to do my chores. How can I do the right thing? Please help me.
