

Whenever a true original
gets a following,
counterfeit copies are inevitable.

Most of us see Jesus in a way that is shaped by our feelings, our opinions, and others' perceptions. But what does the Bible say? Is the Jesus of Scripture that much different from the Jesus of culture? This new 8-session study takes a close look at the biblical Jesus and compares it to other versions that are popular right now. Join us to see where you've been misled and help others discover the REAL Jesus.
