

YOU CAN UNDERSTAND THE BIBLE. JUST WATCH.

Do you struggle reading the Bible? Not sure where to start? Don't understand what you do read? This new Bible study offers practical tools and strategies to help you study the Bible on your own. It even includes “Show Me How” videos with hands-on demonstrations of study tips and techniques. Join us for this 10-session study, and you will develop more confidence in reading Scripture and will be on your way to a deeper relationship with God.
