

FOLLOW PAUL'S JOURNEY AND SEE WHERE IT TAKES YOU.

This new Bible study covers the story of one man's journey, but Paul was seldom alone. At every turn, he was either leading someone or leaning on others to help him along. And that's the heart of this message from Tony Merida. Against a backdrop of various locations Paul visited, he teaches on Paul's life and the spread of the gospel. Join us to see how we also can live in community with our Christian brothers and, together, go wherever Jesus leads.
